Contact: Pete Null, Chair Bloomingdale Township Democratic Party

SEVEN YEARS AND COUNTING

On Saturday, April 26th (rain or shine) from 9:00AM to approximately 12 noon, the Bloomingdale Township Democratic Organization (BTDO) has agreed again to clean the heavily used section of the Great Western Trail from Bloomingdale Road west to Schmale Road through the villages of Glendale Heights and Carol Stream in the southern section of Bloomingdale Township.

“This is the seventh year in a row that the BTDO has undertaken this important effort to clean a section of the Great Western Trail that gets a lot of use and unfortunately a lot of litter from the users of the trail. Their help and the participation of others from the surrounding communities is also very important. This annual commitment by the BTDO is appreciated by trail users and the Friends of the Great Western Trail.” stated Don Kirchenberg volunteer Chairman of the Friends of the Great Western Trails.

“We are glad to help clean this important recreational resource again because we want to continue to help the community and make it better where ever we can.” stated Pete Null Chairman of the Bloomingdale Township Democratic Organization. “We always welcome additional volunteers and participants to help us clean the trail. And we will have free refreshments for the volunteers after the trail cleanup.”

Cleanup volunteers are encouraged to park at President St at the GWT approx. mile south of North Ave or mile north of St Charles Road. It is recommended that all volunteers wear gloves, long sleeve shirts and long pants to help eliminate scrapes and cuts from thorny bushes or sharp objects left as trash along the trails. Those with wagons or two wheel carts to help carry the filled garbage bags are asked to bring them along too.

For more information about the cleanup or the Bloomingdale Township Democratic Organization please contact Pete Null at email address bloomingdale@dupagedemocrats.org
More information about the BTDO can be found at webpage:
